

Our School Rules

Love others, put others before yourself

Be positive and **try** your best

Use **kind** hands, kind feet and kind words

Make **safe** choices

Respect school property

Our Christian ethos enables us to talk with the children about care and respect for each other, within Christian principles.

It gives us a basis for exploring with the children the fact that making mistakes is part of our human frailty and that honesty and openness when we make a mistake is the best way forward, so that together we can reach a point of forgiveness and be helped to try harder in the future.

We encourage our children to show **Love** and **Respect** for each other and for the school, and to have the **Courage** to own up and face the consequences when they have not made good choices.

We help children to understand that forgiveness does not mean they can behave badly and then just say sorry – that it is about learning to truly appreciate the needs and feelings of others and doing everything in their power to behave well so that everyone is safe and happy.

Our Behaviour Policy

Key Principles on which our Policy is based:

Everyone has a right to be safe and be treated with respect.

Everyone has a responsibility to behave appropriately.

A consistent approach is essential for children to feel secure.

Children do best when they have clear boundaries and when they know we have high expectations of them.

Children thrive on praise – it is our role to catch them being good.

Wherever possible, we praise children publicly and correct their behaviour quietly and individually.

Adults in school should be role models of exemplary behaviour and warm, caring, respectful relationships with those around them.

Parents are partners in the process of promoting appropriate social and emotional development and good behaviour.

Andrews' Endowed Church of England Primary School

Love Courage Respect

At Andrews' Endowed CE School, we aim to create a caring and supportive learning environment with an ethos firmly set within in our Christian values.

We believe that children will get the most out of their time at school if there is a friendly and productive working relationship between school and family. We work in partnership with our parents and carers to give our children the best possible opportunities for learning and discovery .

The Home/School Agreement outlines the roles and responsibilities of both home and school.

Parents and carers are asked to sign the Home/School agreement when their child joins our school.
