

ANDREWS' ENDOWED WEEKLY

<https://www.andrewsendowed.co.uk/>

17th September 2021

At the end of the second week, it has been great to reflect on the journey that we are starting to see in the school. It is fantastic to see the children settle in their learning and enjoy each other's company during play times and lunch times. The staff have also been working together to plan how we can continue to bring the community together. We have been focusing on our Vision of High Aspirations, Moral Strength and Spiritual Depth. We look forward to sharing our journey with you. The home-school partnership is incredibly important to us.

As part of our journey, we have a 'new-look' Newsletter. We hope you find it informative. On Page 3 we have included some activities that could be used to help support your children's learning at home. If you have any feedback on the newsletter, please let us know.

A very warm welcome to all of our new Reception children and their families who joined our school at the start of this week. This week we have welcomed our final group Katherine, Audrey, Jack, Zachary, Olivia, Nimi, Sophia, Harry, Tommy, Sofia, George and Grace. The children have all settled in fantastically well and have been busy discovering lots of new exciting things during their half day sessions. It has been lovely to see them getting to know each other and growing in confidence throughout the week! We hope that everyone soon feels settled and part of the school family here at Andrews' Endowed. It has also been lovely to see the children in other year groups continuing to reconnect with their friends and classmates in the September sunshine as they settle back in to the more familiar routines of school life.

Kind regards,

Mrs Gemma Gundry,

Acting Headteacher

New Intake – Reception 2022

Advance Notice: we will be holding an Open Morning for prospective parents and carers for the intake into Reception September 2022 – on **Tuesday 12th October 2021**. More information to follow. If you know other families who would be interested in this event, please spread the word.

We currently have a few spaces in one or two of our other classes due to families relocating – if you know of anyone moving into the area or considering a local school, please encourage them to give us a call. We are completely full in many classes, with a growing waiting list, but where there are gaps it seems a shame for children to miss out on the fabulous opportunities our staff and our school can offer!
