Relationships and Sex Education (RSE) at Andrews' Endowed

You should have received an email sent out yesterday from Mrs Gundry regarding the Personal, Social, Health and Economic (PSHE) education programme at school. There is a copy attached to this Newsletter – please take time to read through the policy as there are changes that will affect your child/ren. Over the next 4 weeks we would like to ask you to take the opportunity to share your feedback about our RSE policy and curriculum. We would also like to invite you to a virtual workshop held **on Tuesday 30th March at 11:00** for the opportunity to contribute to a meaningful dialogue and discussion process as the school continues to develop its policy on RSHE. This workshop will be held on Google Meet via the following link: <https://meet.google.com/jms-uzst-qhx?hs=122&authuser=0>

As a school community, we are committed to working in partnership with parents. If you would like to give feedback on the draft RSE policy, please email schoolsupport@aepri.co.uk. Please use RSE feedback as the subject title and return no than **Thursday 22nd April**.

Notifying the School When Your Child is Ill

Whilst we really hope that everyone stays well, it remains essential for families to let us know if your child (or another member of the family) has had any Covid symptoms since last being in school.

If you have a child who is showing symptoms that you believe may be Covid related, [a high temperature; a new continuous cough; a loss of, or change to sense of smell or taste] please let us know immediately by emailing schoolsupport@aeprico.uk as well as telephoning the school office.

We are grateful to receive notification of the outcomes of any Covid tests as soon as you receive them – please email us via the same address. Speedy notification means we can act quickly in the event of a positive result, and welcome your child back promptly if the outcome is negative.

All non-Covid related illness absence should be reported by phoning the school office on 01420 83094. Messages should be left before 8.30 am if possible, so that we know before the first groups arrive in school.

Please note that if your child has sickness or diarrhoea they must not return to school for a full 48 hours after their symptoms have completely stopped.
